

2MM LOW PRESSUREMIST FAN NOZZLE

CUSTOMER SATISFACTION IS OUR PRIORITY

1-2 Inch Spray Nozzles, 1-8 Inch Impaction Pin Ruby Fine Fog Nozzle
Impingement Mist nozzle, 10 LPH High Pressure Fogging System, 100 GDP
Katharos RO Membrane, 1500 Watt High Pressure Car Washer, 20 KVA Servo
Voltage Stabilizer, 2mm Low Pressure Mist Fan Nozzle, etc.

LOW PRESSURE MIST FAN NOZZLE

HIGH PRESSURE SPRAY NOZZLE

About Us

Hi-Tech Power Systems is committed to providing state-of-the-art solutions as a manufacturer, supplier, and importer of precision-engineered products that are efficient, durable, and sustainable. The company offers a wide range of products such as low pressure mist fan nozzle, high pressure spray nozzle, high pressure mist nozzle with filter, flat spray nozzles, high pressure fogging system, fogger kit for dairy farm, automatic voltage stabilizer, RO booster pump, and high-pressure car washer for various industrial and agricultural purposes.

Specialized engineering for high efficiency in atomization, droplet size uniformity, and peak cooling is offered by our industry-leading solutions. Brass and stainless steel, precision machined to ensure longevity, are enhanced further by the adoption of anti-drip technology. Our hassle-free performance features include clog-resistant nozzles with self-cleaning functionality and the possibility of customizing modular systems easily. Water and power savings by energy-efficient operation ensure sustainable operations along with top performance. Integrated filtration extends nozzle life, and uniform spray patterns ensure consistent coverage. Our easy to install products minimize setup time, making our products user-friendly and maintenance-friendly for quick servicing.

Built from corrosion-resistant materials, they withstand harsh environments while ensuring long-lasting performance. Our comprehensive range covers applications from low to high pressure, making us a trusted choice for various industrial and agricultural needs. We have ISO-certified manufacturing process and a strong technical support system to provide customized solutions to customer requirements. Our nationwide service network ensures that no customer is kept waiting, enhancing our commitment to quality and the satisfaction of our customers.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	ac voltage stabilizer,digital voltage stabilizer,automatic voltage stabilizer,electronic voltage stabilizer,ac stabilizer,
No of Staff	25
Year of Establishment	1994
No of Production Lines	1
OEM Service Provided	No
ProductRange	ac voltage stabilizer,digital voltage stabilizer,automatic voltage stabilizer,electronic voltage stabilizer,ac stabilizer,

Our Products

4KVA Automatic Voltage Stabilizer

High Pressure Fogging System

4 Way Plastic Fogger

5 LPH High Pressure Fogging System

10 LPH High Pressure Fogging System

Fogger Kit For Dairy Farm

Flat Spray Nozzles

20 KVA Servo Voltage Stabilizer

High Pressure Mist Nozzle With Filter

High Pressure Misting Nozzle

Mist Spray Nozzles

Pushfit 6mm Misting Nozzle

5mm Low Pressure Mist Nozzles

Low Pressure Pushfit SS Filter Nozzle

High Pressure Golden Brass Mist Nozzle

1-8 Inch Impaction Pin Ruby Fine Fog Nozzle
