About Us

Blacking Rubber India Pvt. Ltd., is manufacturer and supplier company, where innovation and reliability converge in the tyre production sector. Founded with a mission to transform the tyre industry, we bring over a decade of expertise in crafting a wide array of tyres tailored to diverse categories and applications. Our unwavering commitment to excellence and customer satisfaction has established us as a reputable supplier in the global marketplace. We also take pride in our comprehensive portfolio of premium brands, ensuring that our products adhere to the highest industry standards. Our strategic teams enable us to provide competitive pricing while maintaining the durability, safety, and performance of our tyres. Our focus on research and development keeps our products at the leading edge of performance, longevity, and environmental sustainability.

With a dedicated team of seasoned professionals, we prioritize customer satisfaction and aim to forge enduring partnerships with clients worldwide. Our experts are well-versed in international trade regulations and logistics, guaranteeing a smooth export process from order placement to timely delivery. We recognize the unique requirements of our clients and are dedicated to offering customized solutions that enhance their business operations.
