

Manual Hand Held Cold Welder
Perfection is well-represented in the quality of our products

15 KVA Medium Wire Butt Welding Machine, 30 KVA Heavy Duty Butt Welder, 50 KVA Heavy Duty Butt Welder, Bandsaw Blade Butt Welder, Cold Pressure Butt Welding Machine, Cold Pressure Wire Butt Welder, Cold Welding Die Set, Desktop Cold Pressure Butt Welder, Electric Conductor Strand Butt Welder, Heavy Duty Upset Butt Welder, Hydraulic Cold Pressure Rod Butt Welder, Manual Cold Rod Butt Welder, Manual Hand Held Cold Welder, Medium Wire Butt Welder, Micro Butt Welding Machine, etc.

MICRO WIRE BUTT WELDER

HEAVY DUTY UPSET BUTT WELDER

WIRE ROPE BUTT WELDING MACHINE

About Us

Operational since 1976, we, Flashweld Industries, are considered as a trustworthy name in the Indian Industry. By offering quality products like Hand Held Cold Welder, Micro Wire Butt Welder, Cold Pressure Wire Butt Welder, Welding Die Set etc, we have become a top-notch manufacturer and supplier. It is because of the attributes like high efficiency and longer working life, our products are highly demanded by the customers. All these products are quality checked and manufactured in our advanced premises which consists of all the necessary facilities. Besides this, we offer Wire Butt Welding Machine Repairing Services at best market rates. We have a certified team of professionals who work round the clock to surpass the expectation of customers. Before hiring any candidate in our company, we conduct multiple rounds of interviews to ensure that they are meritorious to work with us.

Our dexterous squad of engineers is always ready to work with excellence in order to cater to the demands of customers. They are focused to make the customers happy by manufacturing the best in class items at cost-effective rates. We have a support section on the web where many documents like Spare part guidelines, Manuals, Technical details, Circuit diagrams, Description, Installation diagrams, Compatibility guide, etc are available which help us to serve decision-makers, developers, operators, and maintenance engineers in a better way.

We ensure that quality is not being compromised at any level of the production process. Under the strict surveillance of our quality management experts, our business operations are carried out with accountability. Our entire range of products goes through stringent quality checks in our testing lab before they are packed for delivery. We make sure to analyze that products are assessed on various quality parameters like construction, finish, durability, etc.
