

SILICONI COMMERCIALE SPA, is a leading company in the production of **TECHNICAL SPRAYS**. Founded in 1957, it has distinguished itself in the market for the novelty of the articles offered. Today we have:

- An area of 35,000 square meters
- Modern production plants
- Laboratories equipped for Research and Development of new products
- Wide range of High Quality products
- A Team of young, dynamic, proactive, highly qualified people

Our production consists of high-tech automatic spray filling lines. We produce 150 TYPES OF TECHNICAL SPRAYS across categories and industries, with our selected formulas for different markets.

Research is one of the most important commitments for our company. Our Research and Development Laboratories work incessantly to develop new **eco-friendly**, cutting-edge products. **QUALITY** is our imperative!

In recent years, Siliconi Commerciale has joined numerous projects for the improvement and sustainability of products. Among these we mention **ECO-PASSPORT BY OEKOTEX, GOTS and ZDHC** which play a fundamental role in the development of GREEN and highly biodegradable products.
