About Us

Manufacturing pallet boxes requires high technical skills which Dattaguru Technopack Private Limited possesses in plenty. We are a trusted manufacturer and supplier of fine quality Industrial Pinewood Pallets, Four Way Wooden Pallets, Heavy Duty Wooden Pallets, Jungle Wooden Pallets, and Wooden Pallet Box among others. These pallet boxes are used for storing tools and components, vegetables and fruits, and transportation of various types of consumer goods. Such boxes also find usage in warehouses. Besides, these boxes are good for use as a foundation to support goods lifted by forklifts.

In just about a few years, our company has achieved remarkable success. Our business knowledge, skills in manufacturing, and dynamic approach, all combine to ensure a lasting experience for the customers. With a diligent bunch of professionals, we meet all the complete business needs of our customers. The employees put in their best efforts to manufacture a robust range of wooden pallets. At our company, customer satisfaction is given primacy over accruing financial benefits. Such an approach finds resonance with the customers who trust our ability to fulfill all their requirements.
