About Us

With Tents that feature simplicity along with attractive designs, style, having dramatic curves and eye-catching appeal, we, "Handmade Tents", started our business operation in the year 2001. We have whetted architectural innovation and creativity edge, so as to prepare Resort Tents in aesthetic shapes and patterns which not only ensure appealing appearance that responds harmoniously to surrounding premises but also addresses the all sorts of designing concerns such as space utilization and versatility. To empower our team, we have developed an integrated infrastructural set-up, including an exclusive arrangement for designing and manufacturing. As a result, We are established us as one of the most accomplished manufacturers and exporters of Resort Tents, Luxury Resort Tents, Swiss Cottage Tents, Beach Tents, Children Tents, Garden Tents, Party Tents, Camping Tents, Exhibition Tents, Event Tents etc.

Looking to setup a resort with classic tent-style accommodation, then you are the right place. We, HANDMADE TENTS are producing an assortment of Tents using quality fabrics. As a reputed Manufacturer, Supplier and Exporter in the domain, we have earned expertise in making Shikar Tents, Wedding Mandaps, Garden Tents, Luxury Tents, Swiss Cottage Tents in various styles, designs, and color combinations. Categorized under luxury tents, we use traditional styles of tent making adjoined with the new techniques, making them a classical yet modern accommodation type. Various material used by us are wood-block, furnishings and durries, screen prints, and woven mosquito nets.
