About Us

Nutech Hydraulic Equipments began dealing in products like Industrial Hydraulic Power Pack, Power Unit, Rock Drill, Hand Breaker and Hydraulic Post Driver in 1994 and to this day, offers these products at the best rates to its broad base of customers from construction, mining, power and other sectors. It has a state-of-the-art manufacturing unit and a large network of distributors across India that strengthens its work operations as a manufacturer, trader and supplier of quality assured, competitively priced products.

The aim of our company is continued growth and product development. This is why we manage association with an extensive list of leading companies and brands like Hycon and Maruzen from whom we source best value products.

At Nutech Hydraulic Equipments, our aim is simple- to give good value for money to our esteemed customers, over a long period of time. Our Pune, Maharashtra based company deals in robustly designed Hydraulic Tools, Rig Mounted Brush Mower, Battery Driven Mini Crane, and many other products that all can be bought at fair prices. Our products are top of the line and stand tall on various parameters of quality, service life and overall value. We also guarantee their safe delivery and manage a vast distribution network that facilitates their easy availability, nationwide.
