## About Us

The Indian market for sports goods is booming at an exceptional pace. The increasing number of sports events, and the construction of academies, clubs, and special institutes for promoting sports hobbies are playing crucial roles in the high demand for sports goods in the market. Our founder analyzed the opportunities available in this business world and started our company, Sikhian International Private Limited. We started in 2022, and since day one, we have been sincerely fulfilling the market demands for the Basketball Pole Spring Loaded System, Basketball Pole Moveable Manual Jack System, Football Goal Post, Gymnastic Mat, Judo Mat, International Table Tennis Table, and many other sports products.

Sikhian International Private Limited is gaining popularity in the market for manufacturing durable Basketball Pole Moveable Manual Jack System, Basketball Pole Spring Loaded System, Football Goal Post, Judo Mat, Gymnastic Mat, International Table Tennis Table, and many other sports products. We have sound facilities in our Meerut, Uttar Pradesh, India-based factory that enable us to efficiently make the offered products with excellence.
