Our **Automation** Products

01

Automation Systems

- Machine Automation Controllers
- Industrial PC Platform
- Multi-Axis Controllers
- Programmable Controllers
- Support Software
- Safety Controllers
- Network
- Programmable Terminals

02

Motion Drives

- Machine Automation Controllers
- Inverters
- Servomotors
- Servo Drives

03

Sensors

- Fiber, Photoelectric
- Displacement
- Vision, Code Readers
- Proximity, Photomicro
- Rotary, Ultrasonic
- Pressure, Contact
- Liquid Leakage
- Condition Monitoring

OMRON

Our **Automation** Products

04

Switches

- Level Switches
- Basic Switches
- Limit Switches
- Push Buttons
- Indicator Lamps
- Thumbwheel Switches

05

Relays

- General Purpose Relays
- Safety Relays
- Terminal Relays
- I/O Relay Terminals
- Solid State Relays
- Power Controllers
- Low Voltage Switching Gears

06

Power Supplies

- Condition Monitoring Device
- Uninterruptible Power Supply
- Axial Fans
- UV Light Curing Systems
- Static Electricity Components
- Motor Protective Relays
- Laser Marker, Wiring Systems
- Sensor I/O Connectors
- Sensor Controllers

Our **Automation** Products

07

Safety Components

- Light Curtains
- Multi-Light Beams
- Single-Beam Sensors
- Laser Scanners
- Door Switches
- Limit Switches
- Emergency Stop Switches
- Key Selector Switches
- Enabling Grip Switches
- Controllers, Units, Relay Units
- Relays, Drives

08

Control Components

- Temperature Controllers
- Timers
- Counters
- Digital Panel Indicators

09

Robotics

- Collaborative Robots
- Mobile Robots
- Industrial Robots

Our Expertise

Automation & Industry 4.0

- Industrial 4.0 Solution
- Advanced Automation Solution
- Process Traceability Solution

Our Expertise

Inspection & Vision Systems

- Vision-Based Inspection Machine
- Printing & Scanning Solution

Our Expertise

Robotic Systems

- Robotic Pick & Place
- Robotic Palletizing
- Cartesian Robotics
- Machine Tending Solutions

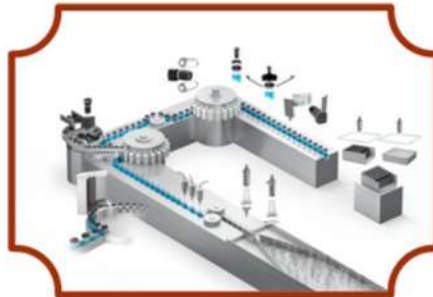

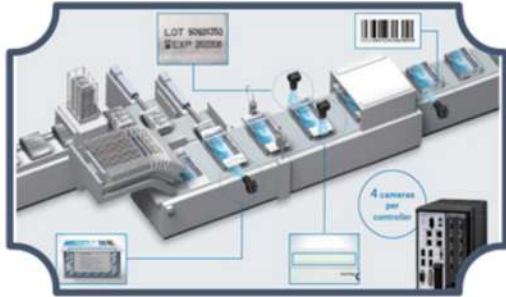

Our Expertise

Custom Machines & Material Handling

- Special Purpose Machines
- Material Handling Solutions
- Advanced Packaging Solutions

Vision Inspection Projects for Pharmaceutical Applications

- Empty Vial Inspection
- Filled Vial Inspection
- Rubber Stopper Height Inspection
- IV Bag Code & OCR Inspection
- Broken Syringe Inspection
- PP Bottle Level Inspection
- Vial Seal Cap OCR Reading

Your Automation Partner

Fast-growing name in reliable, innovative, and future-ready automation solutions to meet the dynamic requirements and rapid evolutions of the global manufacturing industry.

Trusted partner specialising in end-to-end project fulfilment spanning procurement, installation, and life-time quality checks across all product lines.

Thank You

V AXIS AUTOMATION SOLUTIONS

Trusted Brand Partner and System Integration Specialists for:

3rd Floor, Plot no 69, 5 5 35/69/A, Prasanthi Nagar,
IDA Kukatpally, Hyderabad – 500072
