About Us

At Earth Vinayak Polychem Pvt. Ltd., we work meticulously and with passion to provide our clients with the finest goods. Our manufacturer and supplier business creates high-quality products like PVC Kerb Stone Moulds, PVC Paver Moulds, Ventilation Moulds, Elevation Moulds, etc. with the assistance of qualified workers. Before being used in the manufacturing process, each raw material is carefully chosen by us and put through a strict quality test. Furthermore, we cross-check the final products and only send them out for distribution once we are satisfied with their quality.

The management has installed a number of equipment that reduce the work pressure of our employees and meet even tight deadlines. By going above and beyond what our clients expect, we have become the industry standard-setter and first choice of esteemed customers. In order to prevent any sort of confusion later on, we explain our policies to esteemed customers before delivering the merchandise. We also take all the necessary steps to establish a friendly relationship with our clients because they are our top concern. We listened to their suggestions and took the necessary steps as per them.
