About Us

Gurbaz Farm Machinery Private Limited, established in 1998 and based in Patiala, Punjab, is a trusted manufacturer and supplier of advanced agricultural equipment. With over two decades of industry experience, we specialize in delivering high quality farming solutions that enhance productivity and efficiency for farmers across India. Our comprehensive product range includes Hay Rake, Mb Plough, Tractor Operated Mulcher, Straw Reaper, and many other innovative machines designed to simplify farming processes. We emphasize durability, precision, and ease of use in all our products, ensuring they meet the rigorous demands of modern agriculture.

Customer satisfaction is our top priority. We invest in continuous research and development to integrate the latest technologies into our machinery, helping farmers achieve better yields and reduce operational costs. Our skilled team oversees strict quality control, from production to delivery, maintaining consistent excellence in every unit. Driven by a passion for agriculture and technology, we are committed to supporting India's farming community with reliable and cost effective equipment. Our strong distribution network and dedicated service team ensure timely support and spare parts availability nationwide.
