About Us

Pactech Machinery LLP is dedicated to offering world-class labeling solutions to industries such as pharmaceuticals, food and beverages, cosmetics, and allied industries. As a manufacturer, supplier, trader, and exporter, we provide a comprehensive array of high-precision automatic labeling machines that are capable of increasing production efficiency and providing perfect label application. Our strength is in offering innovative, dependable, and customizable solutions that support various container shapes and sizes, enabling businesses to achieve the best packaging outcomes.

Having a decade of industry experience, we are representatives of some of the world's best packaging machine manufacturers in India. Our products, including automatic bottle labeling machine, front back bottle labeling machine, PET bottle labeling machine, mini bottle labeling machine, automatic sticker labeling machine, and double head sticker labeling machine, are designed with the latest servo motor technology for accurate label placement. Made for easy integration into current production lines, they have an easy-to-use touchscreen interface, rapid changeover mechanisms, and heavy-duty stainless steel construction to provide durability even in harsh industrial conditions. Energy-efficient operation, label-saving technology, and low maintenance needs make our machines an economical option for companies seeking to maximize productivity.

Key Facts

No of Staff	35
Year of Establishment	2015
No of Production Lines	1
OEM Service Provided	No
