About Us

In the early 90's, India experienced rapid growth in the domain of Insulation and become the leading source of Muscovite Mica that attracted mica paper manufacturers as well as developers across the globe. To bridge the gap between the demand and supply of Mica Products, M.P. Mica Enterprises Pvt Ltd came into existence in the year 1988 as a trusted Manufacturer, Exporter and Supplier.

Located in Kolkata, West Bengal, India, M.P. Mica Enterprises Pvt. Ltd. is a notable provider of Mica Products such as Muscovite Mica, Scrap, Silicon Bonded Mica Sheets, Mica Parts, Mica Washers, Natural Mica. These Mica Products are developed from high quality mica extracted from different Mines of India. We are engaged in production, research, development and delivery of high-quality products in bulk quantities. In addition, we possess high-tech workshops, storage facilities and swift logistic facilities to ensure to export products in bulk. We export 100% and import around 60% of the products to ensure to meet the precise demands of the patrons, based worldwide.
