About Us

We, Raj Industries, entered the business in 2012 after observing a surge in the demand for technologically advanced industrial machines with easy operation and low maintenance. We are manufacturers and suppliers of a wide range of high performance Inkjet Printing Machines, Semi Automatic Wet Glue Labeling Machines, Batch Coding Machines, Printing Feeder Machines, High Speed Automatic Sticker Labeling Machines, and other products.

Meticulously crafted by our team of expert professionals, all our products represent modern design and robust construction. Additionally, our exceptional sturdy exterior and resistance to corrosion enhance the demands of our products on the market.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	batch coding machine,inkjet batch coding machine,bottle sticker labeling machine
No of Staff	5
Year of Establishment	2012
OEM Service Provided	No
ProductRange	batch coding machine,inkjet batch coding machine,bottle sticker labeling machine

Our Products

RSFL-15 Semi Automatic Flat Shape

RHWL-150 High Speed Automatic Wet Glue

RI-05 SSL Sheet Form Sticker Labeling

RHSL-150 High Speed Automatic Sticker

RSL-40 Semi Automatic Wet Glue

RMHS-15 Manual Hand Operating Sticker

Open Body Carton And Ice Cream Lead

RI-250 STD High Speed Automatic Batch

RSSL-50 Semi Automatic Sticker

High Speed Carton Dispenser Inkjet

ADDRESS
