About Us

The Indian National Flag symbolizes the aspirations and hopes of its countrymen. It also represents the pride of our country as over the years, many members of armed forces have willingly given their lives to ensure the complete glory of our tricolored national flag. With the aim of playing a part in sustaining the glory of national flag, we, The Flag Company (TFC) are offering a wide range of table, outdoor and car flags in India. In fact, we are popular as one of the largest manufacturers, exporters, traders and suppliers of Outdoor Flags and Table Miniature Flags, which include National Flag, Indian Table Flag, Corporate Flag, and Combination Flag.

Since inception in 2006, we are making various types of customized flags / banners such as national, political, religious, corporate, sports and many others for Indian as well as international market. Our expertise in this field resides in cost-effective infrastructure, which is highly flexible and provides us capability to develop small as well as large amounts of customized flags. For the high quality and competitive prices of our flags, we have been selected as the Official Flag Suppliers for the 4th CISM World Military Games. These games were held in Hyderabad in October 2007, wherein over 110 countries participated.

Popularly known as TFC, we are supported by various professionals, who have around 15 years of experience in the segment of textile and printing. With their expertise and skills, we have successfully acquired a large amount of market share in the Indian market and also in international markets of Africa, Europe and South East Asia. The paramount success of the company is evident from the fact that TFC's turnover has grown by over 100% on yearly basis.
