About Us

We at Gargi MHE Solutions have entered in the material handling sector of India in the recent year of 2020, with ambitions of uplifting the quality of work in all the areas where heavy and bulk amount of materials are needed to be managed carefully. Under the inspiring mentorship of Mrs. Deepmala, we are serving proficiently as a manufacturer, trader and service provider. By consistently providing high end solutions for state-of-the-art equipment, our firm is moving in the direction of becoming a leading choice of industries as well as individuals, nationwide. The product line which we are supplying includes Hydraulic Hand Pallet Truck, Hand Operated Pallet Truck, Otis Goods Lifts, Hydraulic Scissor Lift, Mini Crane, MS Pallet Rack, Shopping Trolley and many more items. We also provide professional Repair And Maintenance Services for all the items as per the requirements of our respective customers.

Our industrial processes are completed as per a well designed quality management system which enables us to reach the highest quality standards and norms that are set in the international markets. Each equipment is designed and developed under the supervision of our experienced professionals. They ensure that every single equipment supplied by us performs at its optimal level. For us, quality is not only limited to products as we also focus on our services, as well as workflow management. With time, we are improving our overall work so that customers can always have a delightful business experience by working with us.
