About Us

Founded in 2017, Tilak Poly Impex is a trusted Manufacturer, Exporter, and Supplier of superior-quality packaging products designed to meet the needs of modern industries. Headquartered in Halol, Gujarat, India, we have quickly earned a reputation for our commitment to quality, sustainability, and customer satisfaction. With a focus on innovation and eco-friendly materials, we deliver reliable packaging solutions that add value to businesses across various sectors. We specialize in manufacturing and supplying a diverse range of high-performance packaging products, including Bio Compostable Bags, Jumbo Garbage Bag, Nursery Bag, PVC Cling Film and W Cut Thank You Printed Bags. Every product is crafted with precision using advanced technology and premium-grade raw materials to ensure durability, strength, and environmental responsibility. Our products are widely used in retail, agriculture, hospitality, and industrial applications, offering both functionality and sustainability.

Our Mission is to provide eco-conscious and high-quality packaging solutions that promote environmental responsibility while meeting customer demands with consistency and precision. We are dedicated to developing products that minimize waste, reduce environmental impact, and contribute to a cleaner, greener future. Our Vision is to become a globally recognized leader in sustainable packaging by continuously innovating, enhancing product quality, and expanding our presence across international markets. We aspire to lead the industry with integrity, advanced technology, and a commitment to environmental stewardship.
