

## FULLY AUTOMATIC FLY ASH BRICKS MAKING PLANT LM-06

- **Model- LM-06**
- **Product Code – FABM 1200**
- **Cavity – 6 cavity/one stroke**
- **Production – 9600-10000 Bricks per shift**
- **Tonnage Capacity – 70 ton.**
- **Power Requirement – 10Hp**
- **Man-Power – 8 person per shift**
- **Oil Tank Capacity – 400 liter**
- **Mould size – 9x4x3 (available size as per required)**
- **Vibration – Centrifugal Force (Kg – 1474)**
- **Control Panel – PLC Control Panel with HMI (Smart Panel)**
- **Required Area – 2100 sq. feet (only for machinery plant)**
- **Power Pack – Rexroth hydraulic pump and valve**
