

# EDIBLE OIL REFINING PLANTS

Delighting customers with authentic products.

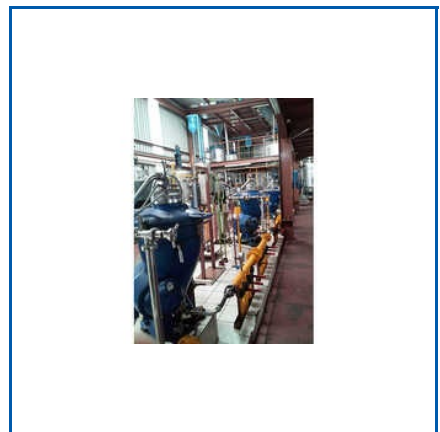

Centrifugal Oil Cleaning Systems, Commercial Modular Refining Plant, Continuous Bleaching Plants, Continuous Deodorization Plants, Degumming - Neutralization And Washing Plants, Dewaxing Plants, Distillation Column And Pressure Vessels, Dry Fractionation Plants, Edible Oil Plants, Edible Oil Refining Plants, Ground Nut Oil Refinery Plants, Industrial Bio Diesel Plant, Industrial Gas Train Plant, Industrial Heat Exchanger, Industrial Oil Recovery System, etc.

**DRY FRACTIONATION PLANTS**

**CONTINUOUS DEODORIZATION PLANTS**

**DEGUMMING - NEUTRALIZATION AND WASHING PLANTS**

## About Us

Our company, Brissun Technologies Private Limited, is offering the best return on investment. We have a team of skilled engineers who can design, build, install, and commission refining plants. We offer customers dependable complete solutions from concept to commissioning. Today, our manufacturer and supplier company is known for offering Bio Diesel Plant, Modular Plants, Modular Refining Plant, Gas Train Plant, etc. We supply carbon neutral plants that adhere to international standards with refined oil that is low in trans-fat and 3MPCD compliant.

The practices and policies of our business have converged to create a unified mindset of being dependable partners who provide innovative solutions employing a combination of expert knowledge and cutting-edge techniques. We provide various refining plants and solutions to achieve optimum effectiveness and help our clients at that industrial work.

In the year 1995, we, Brissun Technologies Private Limited, laid the foundation stone of our company. Our expertise lies in meeting the demands of buyers associated with Continuous Bleaching Plants, Oil Recovery System, Oil Separation System, Polish Filters, etc. Our head office is based in Chinchwad, Maharashtra, India and at our unit, we have installed the best production facilities.

## Key Facts

<b>No of Staff</b>	25
<b>Year of Establishment</b>	1995
<b>No of Production Lines</b>	1
<b>OEM Service Provided</b>	No
<b>Memberships</b>	certificate ISO 9001-2015 from TUV Nord

## Our Products

**Palm Oil Refinery Plants**

**Centrifugal Oil Cleaning Systems**

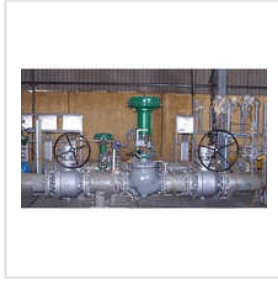

**Industrial Heat Exchanger**

**Distillation Column And Pressure Vessels**

**Ground Nut Oil Refinery Plants**

**Industrial Gas Train Plant**

**Vegetable Oil Refinery Plants**

**Continuous Bleaching Plants**

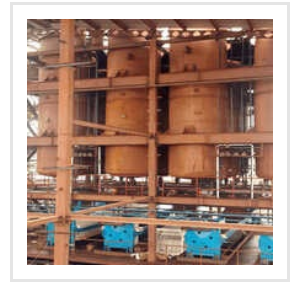

**Industrial Oil Separation System**

**Industrial Oil Recovery System**

**Lecithin Drying Plants**

**Dewaxing Plants**

**Multi Bag Polish Filters**

**Industrial Bio Diesel Plant**

**Modular Refinery Plants**

**Commercial Modular Refining Plant**
