About Us

Accurate Cutting Systems Private Limited is a major provider of high-end products such as industrial bandsaw machine, a singular bandsaw machine, a horizontal bandsaw machine, a table-feeding machine, a pipe-cutting machine, etc. The company was established in 2006 by a group of skilled professionals to meet the different demands of the clients with the best. We have been catering to the demands of the automotive industry in India by offering quality solutions in varied sizes and dimensions. Every single machine is designed for trouble-free operation and excellent ROI. In addition, we also render end-to-end after-sales support, spare parts, and annual maintenance contracts.

Accurate Cutting Systems Private Limited is a prime manufacturer and supplier of industrial bandsaw machines, singular bandsaw machines, horizontal bandsaw machines, table-feeding machines, pipe-cutting machines, etc. We ensure that the quality standards of both our products and services match the international level. In the market, our products are highly appreciated for their excellent speed, good feeding speed, ideal table height, and energy-efficient motor.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	metal cutting band saw machine,
No of Staff	25
Year of Establishment	2006
OEM Service Provided	No
ProductRange	metal cutting band saw machine,
