## About Us

Shree Chamunda Coal Pvt. Ltd. stands as a trusted Trader, Wholesaler, and Supplier of premium coal products, catering to diverse industrial needs across India and beyond. With a strong commitment to quality, timely delivery, and customer satisfaction, we specialize in sourcing and supplying a wide range of coal varieties to meet various fuel and manufacturing requirements. Our extensive product portfolio includes Black Indonesian Coal, High GCV Indonesian Coal, Low GCV Brick Kiln USA Coal, Australian Steam Coal, Indonesian High Gcv Coal, and other specialized coal types. Each product is carefully selected to ensure optimal performance, energy efficiency, and compliance with industry standards, making us the preferred choice for power plants, brick kiln manufacturers, steel industries, and other sectors.

We understand the critical role coal plays in industrial operations. That's why we emphasize stringent quality control measures and maintain a robust supply chain that guarantees consistent availability and competitive pricing. Our expert team works closely with clients to understand their unique requirements and provide customized solutions that maximize value. Driven by integrity and professionalism, we strive to build long-term partnerships based on trust and reliability. Whether you need bulk coal supplies or tailored contracts, we are equipped to handle orders of any scale with efficiency and transparency.
