

ANTI-FREEZE RADIATOR COOLANT

MOTORPLEX COOLANT ANTI-RUST ANTIBOLING COOLANT works effective in all seasons as an anti- overheating element and is made of high pure ethylene glycol mixed with very special durable anti-rust additives. improves the engine performance and keeps it in good condition.

Pack Sizes(in liters) :- 500ml., 1 Ltr., 5Ltr.

SHOCKER OIL

MOTORPLEX FRONT FORK OIL are blended from high viscosity index oils and specially selected additives to provide excellent anti-wear, anti-rust and anti-oxidation properties. MOTORPLEX FRONT FORK OIL have very good chemical stability, excellent seal compatibility and very low pour point (for usage over wide range of temperature variations) with excellent dampening characteristics.

Pack Sizes(in liters) :- 175ml., 350ml.

PUMP SET OIL API SAE-40

MOTORPLEX PSO SAE-40 is high performance multigrade engine oil suitable for the lubricant of all kinds of diesel / petrol pump sets used for agricultural application it is formulated to provide good wear protection to minimize the formation of sludge and varnish and to protect against rust, bearing corrosion and foaming.

Pack Sizes(in liters) :- 1200ml., 3 Ltr., 3.5 Ltr., 5Ltr., 7.5Ltr., 10 Ltr., 20 Ltr., 50 Ltr., 205 Ltr.

LUBRICANT CHOICE FOR YOUR ENGINE !

MOTORPLEX[®] Lubricants

We Know Your Needs

AN ISO 9001 : 2015 Certified Company

Marketed & Manufactured By :

DEEP OIL CORPORATION

Corporate Off.: 1st Floor, Shop No - 1,2,3,4 & 5,
Jain Complex, Near By Shankar Dawa Bazar
Nangloi, Delhi-110041

LUBRICANT CHOICE FOR YOUR ENGINE

4T 4 STROKE ENGINE OIL API SN JASO MA-2

MOTORPLEX High performance engine oil 4 stroke motorbikes & scooter. Excellent protection to engine, clutch & gear systems. premium performance, shear-stable, multimode petrol engine oils for 4 stroke motorcycle & portable power equipment requiring API SN, JASO MA 2 type performance Motorcycle.

Pack Sizes(in liters) :- 500ml., 900ml., 1 Ltr., 50 Ltr., 205 Ltr.

10W30 SCOOTY ENGINE OIL

MOTORPLEX 10W30 Engine oil is a high quality engine oil. 10W30 is a heavy duty engine oil having high viscosity index. A super premium high performance oil, excellent oxidation stability and added protection against engine deposits, rust, corrosion and wear quicker engine start, long service life & fewer oil drains. Recommended for Hero-Bajaj, TVS, Yamaha, Suzuki, Mahindra, LML & Honda SCOOTY.

Pack Sizes(in liters) :- 800ml., 900ml., 1Ltr.

MULTIGRADE 20W-40 ENGINE OIL

MOTORPLEX high performance multi-grade engine oil is suitable for all season and provides excellent lubrication and protection for both gasoline Petrol and diesel engines. The high viscosity blend is formulated to actively reduce the build up of soot and cleans the engine so that it can operate more efficiently and also provide a better fuel economy and a smoother drive. Recommendations and usage: Gasoline, petrol and diesel passenger cars, heavy-duty diesel trucks.

Pack Sizes(in liters) :- 500ml., 1 Ltr., 3ltr., 3.5Ltr., 5 Ltr., 7.5 Ltr., 10 Ltr., 20 Ltr., 50 Ltr., 205 Ltr.

TURBO ENGINE OIL 15W-40

MOTORPLEX is 15W-40 high quality universal fleet engine oil designed for use off-highway diesel equipment, farm machinery, marine engines, mixed commercial fleets, car and light trucks with either diesel or gasoline engines.

Features & Benefits

Excellent soot control for protection against soot-induced oil thickening.

Resists viscosity and thermal breakdown at high temperatures.

Protects against sludge and varnish formation.

Good resistance to foaming and aeration meets the requirements of API service.

Pack Sizes(in liters) :- 500ml., 1 Ltr., 5 Ltr., 7.5 Ltr., 10 Ltr., 20 Ltr., 50 Ltr., 205 Ltr.

CNG 20W-50 ENGINE OIL

MOTORPLEX is specially designed for CNG/LPG powered engines to meet stringent emission norms. manufactured to meet API SN specifications. Recommended for use in city service cars, taxis and auto rickshaws that run on alternate fuels namely. Compressed Natural Gas (CNG), Liquefied natural Gas (LNG), or Liquefied Petroleum gas (LPG). Compatible with alternative fuel. TBN retention formula, low ash forming. Provides exceptional control of carbon deposits, oxidation and nitration.

Pack Sizes(in liters) :- 500ml., 1 Ltr., 3Ltr., 3.5Ltr., 5 Ltr., 7.5 Ltr., 10 Ltr., 20 Ltr., 50 Ltr., 205 Ltr.

5W-30 API SN

MOTORPLEX Helps to extend engine life by protecting against wear, even in the toughest driving conditions. Suitable for all equipment manufacture recommended oil drain intervals. Low oil consumption for less frequent top - up. For petrol & diesel engine oil also suitable for less frequent for bio diesel.

Specification : API SN

Pack Sizes(in liters) :- 1 Ltr., 3 Ltr., 3.5 Ltr., 5 Ltr., 7.5 Ltr., 10 Ltr., 20 Ltr., 50 Ltr., 205 Ltr.

GEAR OIL EP-90 API GL-5

MOTORPLEX Heavy duty gear transmission lubricant contains highly superior extreme pressure (EP) agents to suit various conditions ranging from light to heavy. Chemically designed to meet internationally recognized standard specifications, it effectively protects the gear box from corrosion and wear and provides outstanding performance.

Pack Sizes(in liters) :- 500ml., 1 Ltr., 5 Ltr., 10 Ltr., 20 Ltr., 26Ltr., 50 Ltr., 205 Ltr.

HYDRAULIC AW-68

MOTORPLEX premium hydraulic oils are perfectly suited for hydraulic hybrid vehicles (HHVs) and provide lubricants for both the braking and power steering systems of the automobile. blended with highly refined paraffinic based mineral oils, it contains anti-wear properties that also protects against rust and oxidizations. the oils have very low compressibility for longer service life within the hydraulic system.

Pack Sizes(in liters) :- 500ml., 1 Ltr., 5 Ltr., 10 Ltr., 20 Ltr., 26 Ltr., 50 Ltr., 205 Ltr.

TQ STEERING OIL

MOTORPLEX TQ is automatic transmission fluid specially developed to meet the general motors specification type A-suffix-A.

All vehicles fitted with automatic transmission & power steering where type-A suffix-A fluid is recommended. All new generation automotive vehicles fitted with synchromesh gear boxes & power steering gear boxes.

Pack Sizes(in liters) :- 500ml., 1 Ltr., 5 Ltr., 10 Ltr., 20 Ltr., 205 Ltr.
