About Us

Nippon Metal Alloys is a trusted name in the supply and trading of premium piping products, catering to industries such as Oil & Gas, Petrochemical, and Nuclear. Our extensive product range includes Pipe And Tubes, Steel Plate, MS Fastener, Flanges, etc. We deal in a wide variety of high-performance materials such as Stainless Steel, Carbon Steel, Alloy Steel, Duplex & Super Duplex Steel, and Nickel Alloys. In addition, we specialize in sourcing and supplying non-standard and customized products as per client specifications, ensuring timely delivery and dependable performance.

With a strong supply network, extensive inventory, and efficient logistics, we are well-equipped to fulfill the sourcing needs of our clients across domestic and international markets. Nippon Metal continues to grow as a dynamic organization supported by a skilled and experienced team. At Nippon Metal, we believe that staying closely connected with our customers is key to continuous growth. Customer feedback helps us refine our offerings and improve service standards. Our success is built on trust, consistency, and our ability to meet evolving market demands.
