

AUTOMATIC ELECTROMAGNETIC FLOW METER

*BUILDING STRONG PARTNERSHIPS THROUGH
QUALITY AND RELIABILITY*

2 Inch Electromagnetic Flow Meter, Automatic Electromagnetic Flow Meter, Digital Electromagnetic Flow Meter, Digital Ground Water Level Recorder, ETP Electromagnetic Flow Meter, Effluent Water Quality Monitoring, Electromagnetic Digital Flow Meter, Electromagnetic Flow Meter, Electromagnetic Flow Meter For Milk Union Type, Electromagnetic Flow Meter for STP Plant, Flange Electromagnetic Flow Meter, GFE-DWLR-01 Piezometer, Greencare Electromagnetic Water Flowmeter, Ground Water Level Recorder, Integral Remote Type Electromagnetic Flow Meter, etc.

About Us

Green Flowtech Engineering is a prominent Manufacturer, Supplier, and Importer of advanced flow measurement and water monitoring solutions, headquartered in New Delhi, Delhi, India. Established in 2011, the company has steadily grown into a trusted name in the field of water and fluid measurement, offering innovative, reliable, and cost-effective solutions to meet the diverse needs of industrial, municipal, and environmental applications.

With a strong commitment to quality, precision, and technological excellence, Green Flowtech Engineering specializes in the design, development, and supply of a wide range of flow measurement and monitoring instruments. Our core product portfolio includes Electromagnetic Flow Meters, Ultrasonic Flow Meters, Piezometers and Water Level Recorders, Flow Meters, and Real-Time Water Quality Monitoring Systems. These products are engineered to deliver accurate data, long-term stability, and dependable performance even under challenging operating conditions. At Green Flowtech Engineering, we understand the critical importance of water management and monitoring in today's world. Our solutions are widely used in water supply systems, wastewater treatment plants, irrigation projects, industrial processes, hydrology studies, and environmental monitoring. By integrating modern sensing technologies with robust design standards, we help our clients optimize resource utilization, improve operational efficiency, and ensure regulatory compliance.

Key Facts

No of Staff	19
Year of Establishment	2011
No of Production Lines	1
OEM Service Provided	No
Monthly Production Capacity	250 pie
Memberships	MSME, ISO, LMPC

Our Products

ETP Electromagnetic Flow Meter

Mag Flow Meter

Electromagnetic Flow Meter

Digital Electromagnetic Flow Meter

Integral Remote Type Electromagnetic Flow Meter

Stainless Steel Integral Rubber Liner Electromagnetic Flow Meter

Greencare Electromagnetic Water Meter

Remote Electromagnetic Flow Meter

Stainless Steel Electromagnetic Flow Meter

PTFE Electromagnetic Flow Meter

Automatic Electromagnetic Flow Meter

TDS-100B Wall-Mount Ultrasonic Flowmeter

Electromagnetic Digital Flow Meter

SS Electromagnetic Flow Meter

Electromagnetic Flow Meter For STP Plant

Electromagnetic Flow Meter For Milk Union

ADDRESS
**C-31, Sector 3, Phase 3, Dwarka,
New Delhi, Delhi, India (110078).**
