## About Us

If customers want the best selection of poles, they can completely trust our company, Rising Solar And Poles. Ever since we began doing business in the year 2019, we have grown to become a highly trustworthy manufacturer and supplier of a distinctive array of poles. For the production of our poles, we procure the highest-quality raw materials from the most reliable market vendors. We make sure that each product, including Rising Solar Garden Light, MS Decorative Street Light Pole, Cast Iron Decorative Garden Lamp Post, MS Octagonal Lighting Pole, High Mast Lighting Pole, Decorative Garden Pole Light, and others, is thoroughly examined in compliance with the highest quality standards right after the production process. We have hired a well-trained team to carefully process and test the products. We also carry out extensive market research in order to keep the prices of our poles far lower than those of our competitors.

The quality of products a manufacturing company offers to its clients has a significant impact on its overall reputation. Providing clients with the highest-quality products has always been a top concern for our company, Rising Solar And Poles. All the products we manufacture, such as Decorative Garden Lamp Post, Aluminium Decorative Light Pole, Fancy Garden Pole Light, Rising Solar Metal Pole, Designer Pole, Garden Pole Light, etc., are ensured to comply with the highest quality standards. In our facility, which is situated in the city of Ghaziabad, Uttar Pradesh, India, we have installed high-end machines & equipment that are used in the accurate production of our products. Customers can also rely on us to quickly and satisfactorily finish their specific orders.
