About Us

We at Ganpati Enterprises are a well-known manufacturer and supplier company dealing in a wide variety of products such as Inverter Trolley, Waste Coupling, Extension Nipple, PVC Hose Pipe, etc. Our main objective is to satisfy and always surpass the expectations of our esteemed customers by offering them nothing but the best quality products keeping their demands in mind. We believe in conducting business on ethical principles and complete transparency in all our dealings, thereby helping us to maintain a healthy relationship with our clients. Our success story is solely credited to our mentor, Utkarsh Aggarwal (Proprietor), whose continuous support and guidance have been a major reason behind our exponential growth in the competitive market.

Ganpati Enterprises are a leading manufacturer of high-quality bathroom and kitchen fittings, such as Sink Drainer, Bathroom Fitting, Waste Pipe, Kitchen Sink, etc. Ever since our commencement, with the vision of improvement in lifestyles through novel and long-lasting products, we have attained a market position in this industry segment owing to our stringent adherence to quality and customer satisfaction. Our manufacturing unit has been armed with the most advanced technology and a team of skilled professionals, fully devoted to manufacturing quality products.
