About Us

A production enterprise is usually assessed on a multitude of variables, such as production capability, ability to meet market needs, and so on, but the most essential element for all of them is the quality of the products they deliver, which we, GK Pole & Pipes, place a great value on. As a prominent manufacturer, supplier and wholesaler, we have been providing the finest quality products since we opened for business in the year 2018. At an economical price bracket, we supply a vast range of items such as Polygonal High Mast Lighting Pole, Mild Steel Flag Mast Pole, Solar Street Light Pole, LED High Mast Lighting Pole, Mini Mast Light Pole and many others. Furthermore, we follow ethical business ideals, when treating all our stakeholders.

The market expertise of just about any other manufacturing company is mostly determined by the quality of the products it provides to its customers. In the similar manner, the main goal of our company, GK Pole & Pipes, is to ensure that our products are of the finest possible quality. Iron High Mast Lighting Pole, MS High Mast Lighting Pole, GI Flag Mast Pole, MS Street Light Pole, etc., are just a couple of the items available under our extensive inventory. We produce all quality-assured items and package them in excellent quality material at our facility, which is located in the city of Kolkata, West Bengal, India. Furthermore, when engaging with our clientele, we only practice ethical norms.
