

No Artificial Colour, No Added Preservative

WIDE RANGE OF VEG. & NON VEG. SPICES

COMPANY'S PROFILE

AVADIA spices are basically from Gujarat, India which is renowned for its speciality in variety of foods. We are involved in manufacturing various types of ground spices, blended spices and seasonings with hygienic process to give our customers best quality with purity. All spices are having their own health benefits and nutrients so they are used in Indian foods. We manufacture spices by carefully selecting hand-picked and farm fresh whole spices which enriches the aroma of the food.

Our spices are completely tested to provide you superior quality standards. We try our best to render you granny's style spices for natural and traditional aroma in your dishes. Spices are the soul of the kitchen thus AVADIA spices help you to give your recipe an authentic taste. It is your new kitchen dude.

We are expert in making chef's special spices since 1985. We use handpicked and farm fresh whole spice to impart a natural flavor and enhance your ethnic food. We believe to serve quality product to our valuable customers. Considering customer health we don't use any preservatives, artificial flavors and colors in AVADIA spices. Our customers are fully satisfied as we render a proper Indian taste to your cuisine.

VISION AND MISSION

AVADIA spices is engaged in offering flavorful traditional products by ensuring that we provide divine products and value for money to our customers. Our main aim is customer satisfaction and continuous improvement to provide top end services, and stepping up daily in our products. We try to help you by giving easy recipes for making restaurant style food with less efforts and time.
