## About Us

**Vayuvents Private Limited**, established in **2010**, in **Vasai Mumbai, India**, is an **Exporter** and **Manufacturer** of **Industrial Mancooler Fan, Industrial Hot air blower, Pulse jet dust collector, Bug Blower Fan, Motorized Roof Exhaust Fan, Twin lobe blower, Cyclone Dust Collector, Hot air Axial Fan, Fume Scrubber, Air washer Unit, and many more** are made available in a diverse range of specifications, to meet. We are very concerned about the quality of the given assembly, which is why we utilize only the highest quality materials in the manufacturing process. We have built an advanced infrastructure facility that is equipped with basic machines and amenities that are based on the most sophisticated technology available. Furthermore, we have assembled a team of knowledgeable individuals that have been well taught to comprehend the varying needs of our prestigious clients. We have established an unrivalled position in the industry over the years and hope to continue to do so in the future. We exclusively conduct business in an ethical manner. The offered products are utilized in a wide range of sectors, including power plants and cement manufacture, as well as pharmaceuticals and textiles.

We have been able to create our stand-alone position in the industry thanks to the capable guidance of Rajan Ramashish Pal, our director. His extensive industry knowledge, constant inspiration, and great business acumen have helped our company achieve exceptional success in this competitive industry.

## Our Infrastructure Resources

We have built a massive infrastructure at our organization, which is divided into numerous areas such as manufacturing, administrative, quality control, sales, packaging, and marketing. Our infrastructure includes basic utilities as well as advanced and cutting-edge gear. Our workspace, which is managed by a team of qualified specialists, is regularly renovated so that we can provide the highest quality Industrial Mancooler Fan, Pulse Jet Dust Collector, Motorized Roof Exhaust Fan, Cyclone Dust Collector, Fume Scrubber, and other items. One of the primary reasons for our success is our massive workplace.

## Our Products

**Hot Air Axial Fan**

**Direct Drive Axial  
Flow Fan**

**Heavy Duty Industrial  
Smoke Axial Fan**

**Belt Driven Centrifugal  
Blower**

**Sisw Belt Driven Centrifugal  
Blower**

**48 Bug Blower**

**3 HP Man Cooler**

**Industrial Mild Steel  
Man Cooler**

**Three Phase Industrial  
Man Cooler**

**18 Inch Man Cooler**

**Tubular Man Cooler**

**Wet Fume Scrubber**

**Venturi Wet Scrubber**

**Industrial Wet Scrubber**

**Pulse Jet Type Dust Collector**

**Pulse Jet Dust Collector**

**Pulse Jet Dust Collector System**

**Electrically Operated Roof Extractor Fan**
