

FULLY AUTO SHAPE MOULDING MACHINE | SEMI AUTO SHAPE MOULDING MACHINE | HYDRAULIC POWER PACK | THERMOCOL PREFORMING MACHINE

Always prospering and earning prominence, by delivering the best

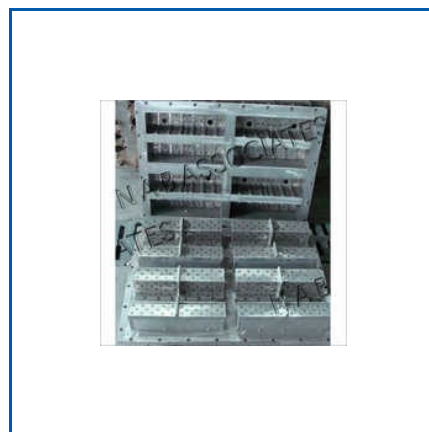

EPS Cup Making Machine, EPS Filling Gun, EPS Foam Moulds, Fully Auto Hydraulic Shape Moulding Machine, Fully Auto Shape Moulding Machine, Hydraulic Power Pack, Ice Gel Pack, Reciprocating Air Compressor, Spring Applied Pneumatic Brake, Thermocol Block Moulding Machine, Thermocol Ice Box, Thermocol Preforming Machine, etc.

RECIPROCATING AIR COMPRESSORS

SPRING APPLIED PNEUMATIC BRAKE

EPS FOAM MOULDS

## About Us

We, N A B Associates have consistently advanced to back a considerable place in the market since we initially began our company in the year 2019. For a long period of time, we have been operating as a manufacturer and supplier of a high quality product assortment that we give to clients at a reasonable price bracket. High-end products such as Fully Auto Shape Moulding Machine, Thermocol Block Moulding Machine, Fully Auto Hydraulic Shape Moulding Machine, Semi Auto Shape Moulding Machine, and many more can be found in our comprehensive collection. After the products are manufactured, we test them in conformity with highest quality norms. Moreover, we maintain complete transparency in all of our business connections with clients in order to keep them for future opportunities.

We have always given a significant emphasis on quality management as a company that specialized in various technically advanced products. To produce our products, we only use high-quality raw materials from the renowned vendors. Our quality management team inspects each batch of products, such as Fully Auto Hydraulic Shape Moulding Machine, Fully Auto Shape Moulding Machine, Semi Auto Shape Moulding Machine, Thermocol Block Moulding Machine, etc., in compliance with all the applicable quality criteria. In order to ensure that the goods are transported securely to clients, we also ensure that the packaging material is of excellent quality. Overall, we are able to provide the best products to our customers because we prioritize quality in our business.

## Key Facts

<b>Nature of Business</b>	Manufacturer
<b>No of Staff</b>	8
<b>Year of Establishment</b>	2019
<b>No of Production Lines</b>	1
<b>OEM Service Provided</b>	No

**Our Products**

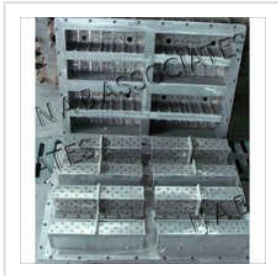

**Thermocol Ice Box**

**Spring Applied Pneumatic Brake**

**Reciprocating Air Compressor**

**EPS Foam Moulds**

**Hydraulic Power Pack**

**Thermocol Preforming Machine**

**Fully Auto Shape Moulding Machine**

**EPS Cup Making Machine**

**Fully Auto Hydraulic Shape Moulding**

**Thermocol Block Moulding Machine**

**Ice Gel Pack**

**EPS Filling Gun**
