About Us

Nowadays, because of the increasing population in our country, the numbers of various types of constructions are also increasing results in more adore requirement of proper stability and firm structure which directly depends on the best in class machines and other materials used in lifting as well as moving and carrying construction raw materials and various other materials from one place to another. To ensure the same, we at Derrick Engi Works Private Limited, are working as manufacturer and supplier of the best quality of Industrial EOT Crane, Electric Wire Rope Hoist, Heavy Duty Gantry Crane, MS and SS Goods Lift, Pillar Mounted JIB Crane and many others.

We are Derrick Engi Works Private Limited, a Ahmedabad, Gujarat (India) based company. We are a promising name as a prestigious manufacturer and supplier of GI Factory Shed, Demag Crane Spare Parts, Crane Control Panel, EOT Crane Spare Parts, HOT Crane, MS and SS Cage Lift, Electric Chain Hoist, etc. Along with these products, one can also avail Hoist Installation Services and EOT Crane Maintenance Services from us. To maintain our one of the best image in the industry, we trust on the three main pillars on which our company is standing, which are infrastructure, team and mainly our owner, Mr. Akash Patel. He has always played the role of a guiding light for us throughout all our challenges. To maintain the best quality standard in the industry, we have a customer support team, who works round the clock and plays a major role as the team accepts enquiries from the clients and addresses them within the promised time.
