

# INDUSTRIAL PROCESS CONTROL INSTRUMENT

15A KU High Range Pressure Switch, 2 Way Needle Valve, Acrylic Body Low Flow Rotameter, Aluminium Thermocouple Head, Ball Valve, Cable Float Level Switch, Electromagnetic Flow Meter, Flameproof Pressure Switch, Flameproof Thermocouple Head, Flow Sensor Magnetic Float Switch Ball, HM 100 SU Pressure Switch, High Pressure Ball Valve Flanged, High Temperature Thermocouple Head, Liquid Magnetic Float Level Switch, Magnetic Reed Switch Sensor, etc.

**SANITARY TRI-CLAMP**

**STAINLESS STEEL PIPE CLAMPS**

**TRICLOVER CLAMP FITTING**

## About Us

We at Hydronix Engineering (OPC) Private Limited started our journey humbly in the year 2021. Through our quality driven & customer oriented work as a manufacturer, trader and wholesaler, we are earning worthy acknowledgement in the markets nationwide. Our offered segment includes Electricity Meter, Flameproof Switch, Cable Float Level Switch, Oxygen Flow Meter, Steel Hook Anchor Bolt, Needle Valve, Reed Switch Sensor and more items. These items are perfectly designed, developed & finished at our ultramodern premises or procured from renowned brands of vendors in the marketplace. Our target is to make sure that every customer has easy opportunity to avail reliable products at reasonable prices.

What differentiates us from other producers in the domain is our work approaches, concerns and priorities. All the items are produced using advanced machinery with intentions of ensuring upmost environmental safety and minimal wastage of material, energy & time. Our concern always remains to meet the exact requirements of customers within promised timelines only. And, our priority is their high end satisfaction with our products, deals & services for which, we take innovative and progressive steps from time to time.

## Key Facts

<b>No of Staff</b>	8
<b>Year of Establishment</b>	2021
<b>OEM Service Provided</b>	No

## Our Products

**Top Mounted Magnetic  
Float Liquid Level**

**Rotary Flameproof  
Switch**

**Acrylic Body Low Flow  
Rotameter**

**Stainless Steel Valve**

**2 Way Needle Valve**

**High Pressure Ball  
Valve Flanged**

**Steel Hook Anchor Bolt**

**Water Ball Valve**

**Tri Clover Clamp**

**Cable Float Level  
Switch**

**Oxygen Flow Meter**

**Stainless Steel U Bolt**

**Pressure Electricity  
Meter**

**Ultrasonic Flow Meter**

**Steel U-Bolt**

**Electromagnetic Flow  
Meter**
