## About Us

Him Cableways was incorporated in the year 1992 with the intent to provide alternate transportation solutions which are viable, cost-effective and eco-friendly. We are pleased to introduce ourselves as leading manufacturers, exporters and suppliers of innovative high-quality material handling equipment including Aerial Ropeways (material/passenger), Cable Cranes for Radial and Parallel applications, Winches.

All our workforce remains closely associated with each to bring optimum results of various functions. We have in-house quality testing facilities to design, fabricate, manufacture and commission the Ropeway Systems as per NS-EN ISO 9001:208 / ISO 9001:2008. With many years of experience in the domain, our team of deft Engineers, Designers, Technocrats and Skilled Personnel provide customized solutions to the clients for the designing, manufacturing, commissioning and operating in accordance to their variegated requirements for transfer-by-aerial transportation needs in the plains and mountainous terrain. Above all, we are recognized appreciably to complete and deliver the assignments in stipulated period. Our Head of Organization: Mr. Rajeev Garga, Mr. Abhisar Garga, Mr. Tuneer Garga and Er. S.K. Mishra are well versed with the project and business skills to lead the organization to prosperous progress.
