About Us

Vedayukt India Private Limited is a notable name in the industry, recognized as a dependable manufacturer, supplier, and trader, serving the demands for high-quality Reduced Graphene Oxide Nano Powder, Titanium Nanoparticles Vedayukt, Colloidal Silver Solutions, Titanium Micro Particles, and other products. Our unwavering dedication to achieving excellence and customer satisfaction keeps us ahead of our competitors.

Based in East Singhbhum (Jharkhand, India), we, Vedayukt India Private Limited, have established ourselves as the number one preference of a nationwide audience. We specialize in a broad range of nanoparticles, metal oxides, metals, etc. Our product portfolio includes Titanium Micro Particles, Colloidal Silver Solutions, Titanium Nanoparticles Vedayukt, Reduced Graphene Oxide Nano Powder, and others. Whether manufactured at our production unit or sourced from reliable vendors in the market, in both cases, the products prove to be of the finest quality. Each product is perfectly processed, has a longer shelf life, and has a perfect pH value. Furthermore, we price our products at industry-leading rates to reach a wider audience. As a result of serving a qualitative and affordable product range, we have become preeminent manufacturers, suppliers, and traders in the industry.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	chitosan,
No of Staff	15
Year of Establishment	2021
OEM Service Provided	No
ProductRange	chitosan,

Our Products

Iron Oxide Nanoparticles

Titanium Dioxide Nano Powder

Copper Oxide Nano Powder

Silicon Oxide Nano Powder

Magnesium Oxide Nanoparticles

Magnesium Oxide Nanoparticles

Titanium Oxide Nano Powder

Boron Oxide Nanoparticles

Manganese Oxide Nanoparticles

Zinc Oxide Nano Powder

Bismuth Oxide Nanopowder

Copper Oxide Nanoparticles

Aluminum Oxide Powder

Iron Oxide Nanopowder

Aluminium Oxide Nanoparticles

Antimony Oxide Nanoparticles
