About Us

Machine manufacturing is a complex job. One has to take care of every minute with patience and diligence to make it happen. Fortunately, our business, A. D. Packaging is run by a smart team, which knows how to handle everything well to efficiently serve customers. With support of our team, we are standing tall as a manufacturer and supplier of an ample gamut of machines. Edible Oil Tin Filling Machine, Pulses Packing Machine, Powder Packing Machine, Four Head Weigher Packing Machine, Shrink Wrapping Machine, Water Pouch Packing Machine and RO Plant are to name a few. Featuring durability, excellent withstanding capability of continuous work hours, corrosion resistivity, etc., our machines are renowned to find usage in the food industry and other industrial sectors. Under the guidance of Mrs. Urvi Patel, our company has successfully excelled in the industry with the right staff, infrastructure and support.

We, A. D. Packaging, have been improving the production many food businesses by offering them a qualitative line of packing machines. we leave no stone unturned to maintain high quality standards of our machines for which our Shrink Wrapping Machine, Water Pouch Packing Machine, RO Plant, Powder Packing Machine and more are not only demanded in the food industry, but other industrial sectors like pharmaceutical, cosmetics, etc. Running our business from Ahmedabad, Gujarat, India, we are making our name Nationwide. Additionally, we follow modern sales strategies, ergo, we have earned INR 2 Cr. in the last financial year.
