About Us

Parthcon Engginfra Private Limited stepped into the roofing products market in 2020. Since then, we have been registering unmatched growth and success as a manufacturer. We provide top quality Exhaust Wall Louver, Foundation Bolt, Galvanized Iron Purlin, Industrial Pre Engineering Building Structure, Industrial Polycarbonate Sheet, Turbo Ventilator, Turbo Ventilator Base Plate, and many other products. Additionally, as a service provider, we render Roofing Sheet Installation Services. We are budding under the leadership of mentor, Ms. Sarika Nalawade. Her dynamic business management skills, trade decision, and guidance to team make us enjoy a reputed position in this highly competitive industry.

At Parthcon, we feel high pride to be a company that was set up by a group of young professionals with focus on manufacturing and marketing world class products for the Building and Roofing Industry in India.
