About Us

Established in 2013, we, Madbee Mobility Solutions Private Limited, are dedicated to creating top-of-the-line customer feedback devices that help businesses gather valuable insights from their customers. Operating from our head office in Chennai, we are engaged in the market as a manufacturer, supplier and trader of MPulse Handheld, Toilet Feedback Machine, MPulse Basic Feedback Machine and MPulse Pro Feedback Machine. These products are easy to use, easy to install, easy to maintain, effective and reliable. Several industrial spaces, bus stands, train stations and other commercial spaces use our products to gather valuable information from their customers.

Our cohesive team of engineers and designers works tirelessly to ensure that every device we produce is of the highest quality. We use the latest technology and innovative designs to create products that not only meet but exceed the expectations of our customers. Furthermore, we understand that purchasing a feedback device is an investment for our customers, and we are committed to providing them with all the necessary support and guidance they need to get the most out of their investment. Our team is always available to answer any questions, address any concerns, and provide troubleshooting assistance if necessary.
