NANOFILTRATION WATER TREATMENT SYSTEM

About Us

UWS Enviro-tech Private Limited is a trusted Manufacturer, Supplier, Trader, and Service Provider of a mix of a variety of water and wastewater treatment methods. We have the following product lines; Industrial Water Softening Plants, Boiler Water Treatment Plants, Dialysis Water Plants, ETP Operation and Maintenance Services, Industrial Water Softener Plants and others. We are determined to provide technically superior, robust and performance based systems to suit various industrial and institutional needs.

We use high-quality raw materials, which are of good supply and acquired through reliable suppliers. Through our up-to-date technology and compliance with international standards of quality, we also promise that all of our solutions have a long service, robust construction, reliable performance, and the efficiency of efficient operations.

Key Facts

No of Staff	40
Year of Establishment	2018
No of Production Lines	1
OEM Service Provided	No

Our Products

Seawater Desalination Plant

Commercial Reverse Osmosis System

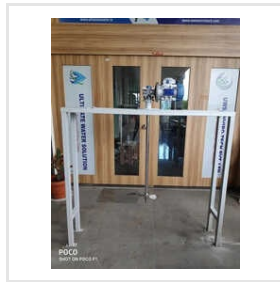

FRP RO Plant

Industrial RO Plant

SS RO Plant

Chemical Mixing Agitator

Industrial Mixers Agitator

Paddle Blade Agitator

Compact Sewage Treatment Plant

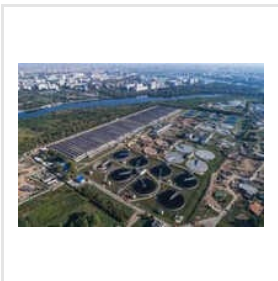

MbbR Based Sewage Treatment Plant

Pacakage Sewage Treatment Plant

Prefabricated Sewage Water Treatment Plant

Sewage Water Treatment Plant

Domestic Sewage Treatment Plant

Grey Water Treatment Plant

Industrial Mixing Agitator
