About Us

Founded in 2019, S K Technosys is a pioneer in the restaurant, retail, and hotel management software, touch point point systems, thermal printer and POS peripherals, barcode solutions, electronic weighing solutions, and hardware product servicing. We focus all of our efforts on exceeding consumers' expectations by giving them high-quality products that satisfy them. To maintain good customer relations, we also adhere to moral business practices and absolute transparency in all of our dealings.

In addition to providing rental hardware, we also service and accept AMC for all types of hardware. We pledged to give our clients the best service possible during their most critical times during business hours because we understand the industry's pulse and operations and have been in business for more than ten years. We pledged to deliver best-in-class goods and services, as well as to work with our clients as technology partners to foster growth and mutual gain. We owe a debt of gratitude to Mr. Srinivas Narayan for his unwavering support and guidance, which allowed us to achieve exponential growth in the present market.
