# About Us

Established in the year 2020, we are Royal Prime Sales, a company from Delhi engaged in providing Polyester Film Roll, Stretch Film, CPP Film, Heat Transfer Film, Easy Peel Film, etc. Relying on expertise of our manufacturing partners and trustworthy vendors, we introduce the best-in-class products that have excellent puncture resistance, great surface finish, top class barrier properties, and are quite easy to use and apply. We keep a tab on the evolving market demands as we source the range from our associates, thereby catering to needs of sectors like chemical, agro, pharmaceutical and food processing to perfection. In addition to innovative packaging films, we also offer Multicolor Silver Foil God Painting Frames and Paper Religious Painting Frames as a quality driven trader and supplier.

## Our Vendors

We have vendor partners who have the talent and resources required in manufacturing large volumes of products. Each of our manufacturing partners boast of modernized infrastructure well fitted with the most advanced machinery and technology. Supported by their manufacturing excellence, we manage offering precisely finished products to our end clients.

## Our Testing Facility

No wonder that our products like Polyester Film Roll, Stretch Film, CPP Film, Heat Transfer Film, Easy Peel Film, etc., are the finest blend of latest technology and product innovation that are exercised without setbacks at the end of our vendors. However, we strive to ensure optimum product quality in terms of thickness, finishes and colour specifications by thoroughly testing sourced batches at our own quality testing facility. Stringent product testing gives us the competitive advantage of offering nothing short of flawlessly developed and rigorously tested products.
