About Us

At AKV Granite, we bring the timeless beauty and strength of granite from the heart of India and around the world right to your doorstep. With a journey that began in 2015, AKV Granite has become a name synonymous with quality, variety, and affordability in the world of granite.

Located in Kishangarh (Rajasthan, India), we, AKV Granite, are counted among the top manufacturers and suppliers in the industry. We are catering to the demands of a nationwide customer base for perfectly developed White Imported Granites, Yellow South Indian Granites, Golden North Indian Granites, and other products. Manufactured at our well-engineered production unit under the supervision of our team of skilled professionals, each of the products is highly durable, has a smooth texture, and exhibits a strong resistance to wear and tear. Thus, all the aforementioned features increase their demand in the market. Furthermore, the cost-effectiveness of the products is another factor in why they are popular in the industry and why we are repeatedly chosen over all the other market players.
