About Us

We at Aarush Industries celebrate the exhilarating experience of riding and racing as we work to meet needs of motorcycle enthusiasts and other riders with our range of face helmets. We focus on product safety and let it take precedence over any other factor as we realize the serious dangers involved in riding when one is not wearing a protective helmet. We know that motorcyclists and other riders cannot even think of compromising on quality aspect if they wish to escape traumatic and fatal injuries in the event of any accident. Therefore, we design quality helmets in many styles that can be worn while riding two wheelers, skiing, skating or engaging in any activity where the head is susceptible to accidental injuries. Therefore, whether one is looking for flip-ups, full face or open face helmets, we sell it all under our popular brand name Redfox. Each design in Carbon Matt Finish Full Face Helmet, Getz Open Face Black Helmet, Getz Bomber Open Face Army Helmet, Carbon Trim Graphics Full Face Helmet, etc., that we offer as a trusted manufacturer, wholesaler and exporter fits quality criteria of the Bureau of Indian Standards (ISI) and can be dispatched, PAN India, on time.

No matter how short a ride is, helmets are essential to safeguard riders from head injuries. Bruises or any cuts might heal but any form of head injury can cause irreparable damage, which is the reason helmets are important while riding two wheelers for thwarting many disabling injuries. We at Aarush Industries give you assurance of 100% safety with our range of Trim Helmets, Carbon Helmets and Getz Helmets, all sold under the brand name Redfox. From our base in Ghaziabad, Uttar Pradesh, India, we dispatch helmets in various customizable shapes, sizes and colours to a rich clientele, globally.
