About Us

In an age where the world is rapidly moving towards automation, we, Evipure Solution, are aiming to make a significant contribution to the transformation we are experiencing. We are a manufacturer, exporter, and supplier of cutting-edge technology Digital Display Kiosk Systems, Information Kiosk, Touch Screen Floor Stand Kiosk, Fully Automatic Food Waste Composting Machine, and Organic Food Waste Compost Machine among others. These machines make different types of work simpler, easier, faster, and safer.

Evipure Solution offers unbeatable quality machines and systems that facilitate various types of activities and aid public conveniences at various places. Established in 2019, we are known as a reliable manufacturer, exporter, and supplier of Semi Automatic Organic Waste Compost Machine, Industrial Organic Waste Converter, Automatic Organic Waste Converter, Automatic Bottle Crusher Machine For Public Places, and Automatic PET Bottle Shredder Machine among others. In this short time, we have created a distinct persona for our company. We have made a remarkable presence in the market as a company that has complete command over the technology we deal in. We have exceptional software skills as well as design and manufacturing expertise. Because of our domain excellence, we have been able to attract customers and satisfy them with our products.
