About Us

We at **Alliance Corporation** aspire to achieve national heights of success through our work of absolute integrity and professionalism. By serving as a **manufacturer, trader, retailer** and **wholesaler**, we are fulfilling the industrial requirements for an exclusive range of fuel oils. This range encompasses **Boiler Fuel Oil, Furnace Oil, Hotmix LDO, Fuel Oil, Mineral Turpentine Oil and Diesel Oil**. Our firm is offering these superior grade and pure oils at cost-effective prices. We are standing strong and prepared to serve our customers efficiently from local to domestic regions. The execution and management of all the deals is done by us in a completely client centric manner for their utmost satisfaction & retention. Moreover, we are continuously looking for ways to enhance our workflow and grow in the industry.

Our Owner

The visionary owner of our company, Mr. Bhavya Kumar Pandya is guiding us proficiently in the business with his knowledge in the fuel industry. Along with his growth-oriented working nature, he encourages all individuals in the company for positivity, learning and progression as well.

Infrastructure Base

In the suburban area of Vadodara we have our modern production units, storage facilities and head office. These infrastructural facilities make us capable of meeting any bulk or urgent demand of our associated dealers, resellers & other partners for Furnace Oil, Boiler Fuel Oil, Fuel Oil, Hotmix LDO, Diesel Oil and Mineral Turpentine Oil without any delays or compromise in process.

Quality

Along with our expertise in the domain of producing various industrial oils, we are working in adherence to all international norms, regulations and policies that are vital for maintaining necessary quality control. After thorough inspection of raw material at our labs, we use the material for products and, after the proper inspection of final products, we assure & pack them for final deliveries.
