## About Us

Dhananjay Polymers is a key manufacturer and supplier of a durable and sturdy range of pipes, fittings, and other hardware products. We provide a wide range of MDPE pipe fittings, HDPE pipe, service saddles, MDPE pipe, electrofusion fittings, BIB clamps, brass ferrules, stainless steel threaded inserts, etc. We have more than 12 years of vast expertise and experience in the domain of pipes and fittings that ensure high-quality standards in production as well as products. We have developed a modern production unit with high-tech machines and tools to conduct the complete production process in a swift and smooth manner.

Dhananjay Polymers is a major manufacturer and supplier of a heavy-duty array of brass ferrules, stainless steel threaded inserts, MDPE pipe fittings, HDPE pipe, service saddles, MDPE pipe, electrofusion fittings, BIB clamps, etc. Established in 2011 in Rajkot, Gujarat, India, the company has been growing under the management of Mrs. Nehal Joshi (Partner). Her unmatched efforts, passion for excellence, and commitment to quality have assisted the company in providing high-end products under the brand name Waterboss. Today, we have won the trust of our clients with quality-tested products, an on-time delivery schedule, and affordability.
