About Us

A company that leaves no room for error in quality during production, packaging and shipment is Neha Life Sciences Pvt. Ltd., which is located in the prime location of Ahmedabad (Gujarat, India). From the year 2002, we have been implementing strict quality control policy to ensure serving unparalleled Medical Grade Powder Coatings, Film Coating Powder, Film Coated Tablet, Ultracoat Moisture Barrier, Enteric Coating and much more.

We give major emphasis over quality packaging of products because as a manufacturer, we think of not just making but delivering value in the form of quality products. For safe shipment of products, we make use of quality and informative packaging materials. All the products are well-packaged to confirm hassle-free shipment.
