About Us

Grow Agro Hi-Tech Solutions has been successfully fulfilling the requirements of the agro sector with quality products since its establishment in 2007. We are known as a trusted manufacturer, supplier, and trader (after-sales service) of high-quality and durable mini seed graders, gravity separators, magnetic destoners, etc. Owing to resistance to wear & tear, high-speed, dimensional accuracy, and anti-abrasive properties, our products are widely demanded.

Since 2007, Grow Agro Hi-Tech Solutions has come into a renowned position as one of the chief manufacturers, suppliers, and traders in advanced agriculture machinery and equipment. Operating from Indore, Madhya Pradesh, India, we strive for greater efficiency and productivity through agriculture. We offer innovative, durable Mini Seed Grader, Gravity Separator, Magnetic Destoner, etc. for catering to the needs of farmers and agro-industries.

Grow Agro Hi-Tech Solutions, with a commitment to excellence, always provides excellent after-sales services, ensuring that our clients get the support they need for smooth operation. Farmers and agro businesses in India trust our solutions, which speaks volumes of our focus on innovation, precision, and customer satisfaction.
