About Us

The difficulty in making a perfect dish is understood well by HNU Enterprise. This is the reason, we have got for customers the most aromatic onion and garlic that are truly flavor perfecting in every dish. Today, we still believe that none can take the place of these three major ingredients that work as an add-on flavor in different cuisines. Hence, keeping this belief stronger and relevant, our company has established itself as a trader and exporter to help customers find the most fresh range of these three amazing ingredients that can be used in raw, paste and spices categories.

We are sourcing our fresh items from chosen vendors who process organically in the manufacturing sector and thus bring to us the most qualitative goods. Our company retains natural properties in the products by keeping them in the similar state as procured till the period of transit. We can offer our high-quality garlic and onion to supermarkets, food markets, groceries, vegetable markets, street vendors and more. Our quality trading firm can serve these important food commodities in as many as quantity required for business. We also can assist individual customers with special orders for events. We maintain Pure Garlic, Red Onion for answering bulk to small requirements with ease.
