About Us

When it comes to finding innovative hydraulic based goods, our company, R.K Hydraulics is the best choice. We first opened for business in the year 2019, and since then have been making a mark as a premier manufacturer, supplier, trader and wholesaler of a diverse range of hydraulic products. Our profitability may be attributable to our adherence to upholding high quality standards across our whole product line, which includes Mild Steel Single Mast Goods Lift, Hydraulic Hospital Collapsible Elevator, Stainless Steel Residential Lift, Self Propelled Scissor Lift, Electric Passenger Elevator, Chair Style Residential Stair Lift, etc.

We utilize cutting-edge manufacturing technologies to develop our one-of-a-kind product range. In addition, we thoroughly test each produced batch to ensure that it meets all required quality criteria.
