About Us

Vivekananda Trading Co., as the name suggests is engaged as a trader and wholesaler of various products. Ranging from Industrial Paint, Polyester Putty to MS Tube, BP Sheet, Aluminum Channel, Welding Rod and MS Square Pipe, our product range is wide and available in various specifications as per customer requirements. We prioritize our clients, whether big or small and direct all our efforts to ensure their expectations are surpassed. To ensure our clients demands are timely and efficiently fulfilled, we have allied with leading vendors in the business such as Anilax, Maxi Shine, Superon, Esdee and Premier. Our vendors are chosen after conducting various checks and assessing them on the basis of various factors like market credibility, technology used, price structure, timely delivery and others. With the constant support and assistance of our manufacturing partners, we are able to complete our targets and strengthen our position in the industry as a leading entity.

We have built a spacious storage facility to safely store our Aluminum Channel, MS Square Pipe, Industrial Paint etc., in a systematic manner. All items are properly stacked and labelled thereby, minimizing efforts at the time of retrieval and dispatch. All the activities are handled with great care to make sure our products are not damaged.
